pro-sleeve

premium ballistic nylon sleeve for MacBook/Pro.

Gecko Pro-sleeve, protective and functional sleeve for your MacBook or MacBook Pro. On-the-go protection for your laptop. Features a padded ballistic nylon outer with bump absorption strips, a soft scratch-free lining, and an internal document pocket for your important daily documents or to-do list. The Gecko Pro-sleeve, the ultimate home for your MacBook or MacBook Pro.

Features:

Ballistic nylon outer.
Originally designed to protect the military from bullets, hence the name ballistic. This material creates a heavy duty padded shell that protects your laptop from its day to day travels.

Bump absorption strips.
Included on the exterior of the pro-sleeve is our shock resistant bump absorption strips. These strips are designed to absorb the impact in the event of a knock.

Document storage pocket.
Take more than your laptop to your next meeting. Pro-sleeve has an internal document storage pocket with enough room to store your important documents or daily to-do list.
